

**Standish Village Hall AGM Tuesday 16<sup>th</sup> October 2018**

**Chair's Report**

Securing ERFA as a tenant has improved the financial security of the hall and has allowed us to continue our maintenance program, which highlights the importance of tenants to the future of the village hall.

Without the income from the offices below us and Court View Room we would be looking at a deficit of £3000,

We have also been able to suspend charges to the Parish Council and the Parochial Church Council.

It has also enabled us to make improvements to the room divider so that anybody can operate them, I think you'll agree that this was long overdue.

Unfortunately we lost 2 committee members, Maree and Mike Stevens who have deserted Gloucestershire for the wilds of Yorkshire. Thanks to both of them for their support and work.

We have wrestled with the intricacies of the General Data Protection legislation and produced a workable policy.

Working with the PC and the PCC we have produced a 'Welcome to Standish' leaflet for distribution to new residents.

We only held one social evening this year in May and this was reasonably attended, it would be great to welcome more residents to these events.

So finally it only remains for me to thank my fellow committee members for all their support and hard work.
